**Re: *Cianci, et al. v. Bright Horizons Children's Centers LLC*,
No. 7:19-cv-1008 (KMK)**

Dear Judge Karas:

We represent the Plaintiffs in this matter. The parties had a mediation session but did not complete their session. The parties have scheduled another mediation session on September 4, 2019. The parties request that the stay remain in place to allow settlement discussions to continue.

We thank the Court for its consideration of this request.

Respectfully submitted,
